

Billing Information

Behavior Management Counseling Services has contracted with **Maximum Medical Billing Services** for its billing needs. Should you have any questions regarding your insurance benefits or your account balance please contact one of their billing agents at **605-977-2055**.

Please bring your insurance card and photo id to your first appointment. A photocopy is needed for claim submission. A photo id of the parent or guardian is accepted for minors. Co-payments and co-insurance is expected at the time of service. We accept, cash checks, debit and credit cards.

- If you have insurance coverage it may provide some coverage for mental health services, as a courtesy we will submit claims to your insurance carrier on your behalf. However, you (not your insurance company) are responsible for full payment of the fee.

- You are responsible for providing Behavior Management Counseling Services with your most recent insurance information.

- South Dakota Medicaid clients **must** show proof of coverage at the time of service. Also please have your PCP fax over a Medicaid referral card to 605.274.1700. If your primary care provider has changed you are required to also provide this information as soon as any changes occur.

- We will contact your insurance carrier for benefit information and provide you with your **estimated** out of pocket cost.

- If you have any questions about your out of pocket costs please contact your insurance company to learn more about your mental health benefits,

****** Please note that we can not be responsible for incorrect benefit information provided to us by your insurance carrier ******
