

SLIDING FEE SCHEDULE

In circumstances of unusual financial hardship, we may be able to negotiate a fee adjustment or installment payment plan based on income. The federal poverty guidelines are listed below. If you feel you meet the guidelines as listed below please ask to complete the required forms.

2012 POVERTY GUIDELINES

The Department of Health and Human Services published their annual update of the poverty guidelines in the January 26, 2012 Federal Register.

		2012 Poverty Guidelines
